

SAIFEE

RELIABILITY

SERVICE

INTEGRITY

INTRODUCTION

SAIFEE established since 1971, with a humble beginning as a local marine hardware business have over the past 40years established itself as one of the leading reliable partner to ships & Offshore industry as well as spare parts supply house in the Middle East.

With an aim to provide ship owners with a cost effective supply solution Saifee maintains an inventory of over 60,000 line items that are available for immediate delivery consisting of both Provisions and technical stores.

Saifee's commitment to service is backed by multilingual, highly experienced, result oriented management team with trained staff of over 210 at Dubai & Fujairah. Its operations work round the clock, seven days a week and can deliver stores to any UAE port or at anchorage within UAE waters at short notice through its own fleet of vehicles and Reefer containers. With a vast experience in the Marine supply business, Saifee has now ventured into the Quality intensive Offshore supply sector.

MISSION

Saifee endeavors to perfect the art of service & quality by providing a prompt, efficient and reliable supply network maintaining a high ethical standard.

QUALITY ACCREDITATION

- ISO 9001:2008 quality management system
- OHSAS 18001: 2007 safety management system
